Title: Family Student Housing, Resident Assistant (RA)

Years as an RA: 1

**What are you looking forward to most as an RA?:**

I'm excited about serving my fellow FSH residents, bringing some new creative programming ideas to life, and doing everything in my power to help strengthen and enrich this community which has meant so much to me and my family.

**Expertise/Hobbies/Interests:**

I'm an avid surfer, a huge reader of fiction and enjoy tinkering with funny looking bikes. Besides this and making art (for fun and my degree), I spend a lot of time in the kitchen and probably eat more brussels sprouts than just about anyone you've ever met. When I have a break from school and my wife Sarah has some time away from wedding photography, we love to travel, use our language skills (Spanish & Portuguese), and experience real nature.

**Fun facts:** This is my third time in graduate school; I have a godson in the Galápagos Islands and have never had a cavity!
