FAMILY STUDENT HOUSING - TERMS AND CONDITIONS

Violation of any of the following policies jeopardizes your housing contract, violates the UCSB Standard of Conduct Code 102.07, and may result in University sanctions and/or legal prosecution. These policies apply to all residents of University-owned apartments and their guests when they are within Housing, Dining, & Auxiliary Enterprises (HDAE) environs (including parking lots), regardless of where they reside. These policies are also enforceable while participating in Housing sponsored activities on or off campus.

Alcohol: State laws and university regulations referring to alcohol use and possession must be followed by you and your visitors. Alcohol is not permitted in public areas (i.e. community centers, apartment patios, grounds, study rooms, lobbies, laundry rooms, etc.) with the exception of prior approval by Residential & Community Living (R&CL) Staff. Carrying open containers of alcoholic beverages or consuming them in public is also prohibited. Residents who fail to remove themselves from incidents where persons under the age of 21 are consuming alcohol are also in violation of this policy. Delivery of alcohol by outside vendors is prohibited. Disruptive behavior while under the influence will not be tolerated.

Alcohol Large Quantity: Residents, regardless of age, are prohibited from consuming or storing alcohol that is excessive for responsible personal use. Possession or use of any keg (empty or full), beer bong, or other mass drinking device is prohibited. Residents found responsible for violating this policy may be subject to contract cancellation.

Amplified Music and Drums: Amplified musical instruments and drums may be stored but not used within university-owned apartments. Stereo speakers are prohibited from being placed in windows directing sound out of the apartments. Exceptions may be made in university sanctioned performances.

Annual Inspections: Annually, authorized university personnel will enter your apartment unit to conduct an inventory and inspection of all furnishings and review the condition of the facility. This is done to reduce damage that goes unreported. Residents will receive a minimum of 24-hours advance notice prior to inspections.

Appliances and Electrical Safety: All of your appliances should be UL[®] approved. Practice safety when using appliances or electrically dependent items. Do not overload circuits or extension cords. Use UL[®] listed multi-outlet units (MOU) plugged directly into the wall outlet. Residents are to follow all University policies governing the use of electrical extension cords.

Check-Out: Check-out instructions are provided upon completion of the 30-Day Notice of Termination. Failure to move out by agreed upon date will result in the assessment of a \$100/day fee in addition to the daily rental rate.
